Ordering:

By completing and submitting an electronic order form, you are making an offer to purchase goods which, if accepted by us, will result in a binding contract.

Please note that products will not be sent (or links to online products) until we have authorization from your payment card issuer.

We will not be liable if there is a delay, and we will not accept your order if payment is not authorized.

Certain steps must be followed for a contract to be formed, as described below.

After you have placed your order:

You will receive an email to acknowledge your order. It will confirm which products you have ordered, but it may not constitute an acceptance of your order.

You may be directed to a third-party site to complete your order.

We do not have to accept your order, and for example, we will not accept your order if:

- Your payment is not authorized
- There is an error on our website regarding the price or other details of the products
- You have canceled your order

We reserve the right to refuse any order.

Pre-Orders:

Pre-orders must be paid in full to reserve the order. After purchase payments have been authorized, orders cannot be refunded and/or canceled.

Returning products after sending:

All purchases made on Evoautodetailing.com are FINAL.

Items that are unopened and/or defective (from the manufacturer) can be exchanged or refunded. IF the order error is a result of a mistake made on our end, you will be credited for the products. If in the event a non-defective item is opened and/or used, we will NOT issue a refund or accept the item under any circumstances.

Shipping:

Evo Auto Detailing LTD provides international shipping. Please note that there are restrictions on some products that

do not permit shipment to international destinations. When you place an order, an estimated shipping and delivery dates will be provided for you based on the availability of the purchased items and the shipping options chosen.

Please note, that shipping rates for items sold are weight-based. To reflect the policies of the shipping companies we use, weights will be rounded up to the next full pound and the final shipping rate will be provided.
